

# Miniature Dachshunds

## Looking for a New “Forever Home”

*I have a few adult dachshunds that I am looking to place in a new “Forever Home”. They are UTD on all vaccinations, Kennel trained for night time. May need a refresher course on potty training, Dachshunds are very loving and loyal pets. Must be Spayed/Neutered prior to Adoption, Included in adoption fee.*

*If you are interested in adopting or have addition questions, please call or e-mail me:*
